

The Reincarnation of Joseph Goebbels

“The essence of propaganda consists in winning people over to an idea so sincerely, so vitally, that in the end they succumb to it utterly and can never again escape from it.”

Joseph Goebbels, from his diaries

Stephen Miller is Trump’s Deputy Chief of Staff for Policy and Homeland Security Advisor. In that capacity, he speaks for the President. In a Fox News interview with Sean Hannity Miller said:

“The Democrat party does not fight for, care about or represent American citizens. It is an entity devoted exclusively to the defense of hardened criminals, gangbangers, and illegal alien killers and terrorists. The Democrat Party is not a political party. It is a domestic, extremist organization.”

Change the words “Democrat” to “Jew” and “American” to “German” and that statement could have come straight from the mouth of Nazi propaganda minister Joseph Goebbels.

Not one Republican leader has repudiated this hateful demagoguery as of this writing.

It appears they all agree with Miller’s accusation that every Democrat in the state they were elected to represent is a domestic extremist devoted exclusively to the defense of terrorists, gangbangers, and murderers.

Either that or they are all afraid of Stephen Miller.
