

Donald Trump Emasculates the Republican Party

“Only I...”

The Donald has used that line
so shamelessly
so fervently
so frequently
that he has emasculated
every other potential Republican leader.

After the elderly Trump exits stage left
who else can possibly pick up the mantle of...
“Only I...”

J.D. Vance? (*audience snickers*)

Mike Johnson? (*audience hoots*)

Marjorie Taylor Greene (*audience rolls eyes*)

Marco Rubio? (*audience cackles*)

Lindsey Graham? (*audience guffaws*)

Donald Trump Jr? (*audience gags*)

Tommy Tuberville? (*audience scowls*)

Kristi Noem? (*audience groans*)

Pete Hegseth? (*audience howls*)

Ron DeSantis? (*audience boos*)

Lauren Boebert? (*audience shudders*)

RFK Jr.? (*audience frozen into stunned silence*)

Stephen Miller? (*audience gasps in horror*)

By making MAGA all about him
The Donald has created a golden throne
that will be impossible for the (lower case) gop
to fill once Trump is, inevitably, gone.
