A Proclamation from the Greatest President in the History of the World

Whereas,

That disgusting woke liberal left lunatic toy soldier Tom Hanks has been given the Sylvanus Thayer Award by the West Point Association of Graduates for the following “accomplishments” that have supposedly improved the image of our brave fighting men (as if they needed it) by...

Starring in the Academy Award (that woke bastion of fake entertainment) winning movie *Saving Private Ryan*, a pitiful attempt to make the brave American warrior look weak and vulnerable...

Serving as national spokesperson for the World War II Memorial in my city of Washington DC, which was a rat’s nest of migrant crime until I personally led the charge to Make Our Capital Safe Again...

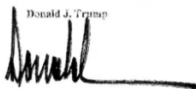

Being inducted as an honorary member of the U.S. Army Rangers Hall of Fame, despite the fact that he never once has practiced at a Trump golf course driving range...

Launching the *Hanx for Our Troops* coffee brand to raise money for veterans’ support, which is a big joke since my family makes more money on crypto in one hour than Tom Hanx makes in a year selling his weak excuse for coffee...

Because the award should have been given to U.S. President Donald J. Trump, a genuine war hero who can with a single phone call order the sinking of a Venezuelan fishing boat...

Trump for permanent display in his Oval Office.

By order of...
