

Where Have All the Honorable Republicans Gone?

“Tonight, I say this to my Republican colleagues who are defending the indefensible: There will come a day when Donald Trump is gone, but your dishonor will remain.”

Representative Liz Cheney speaking before the House Jan. 6 Committee

Where have all the honorable Republicans gone

long time passing...

Where has the Grand Old Party of Honest Abe Lincoln gone...

long time ago?

Where have all the righteous Republicans gone?

Where is Republican Teddy Roosevelt

who took on corporate greed and political corruption

while Donald Trump is selling the White House

to the highest bidder?

Where have all the moral Republicans gone?

Where is Republican Margaret Chase Smith

whose Declaration of Conscience admonished her GOP colleagues

to forswear from riding the Four Horsemen of Calumny...

Fear, Ignorance, Bigotry, and Smear?

Where have all the egalitarian Republicans gone?

Where is Republican Dwight David Eisenhower

who did so much to end racial segregation in schools and the army

and who used military force to promote equality,

not to squash it?

Where have all the accountable Republicans gone?

Where is Republican Gerald R. Ford

who took personal responsibility for pardoning Nixon

helping to put the nightmare of Watergate behind us

even at a cost to his own political career?

Where have all the steadfast Republicans gone?

Where is Republican Ronald Reagan

who stared down Mr. Gorbachev at the Berlin Wall,

the beginning of the end of the Cold War that brought liberation

from Soviet oppression to the people of Eastern Europe?

Where have all the humanitarian Republicans gone?
Where is Republican George W. Bush
whose President's Emergency Plan for AIDS Relief
saved more than 25 million lives globally
before being dismantled by Trump's DOGE?

Where have all the courageous Republicans gone?
Where is Republican John McCain
who with one thumb down
prevented Donald Trump from taking healthcare away from
twenty million American human beings?

Where have all the honest Republicans gone?
Where is the J.D. Vance who saw in Trump the American Hitler?
Where is the Lindsey Graham who called Trump a crazy kook?
Where is the Marco Rubio who accused Trump of being a con artist?
Where is the Mitch McConnell who held Trump morally responsible for J6?

Where have all the honorable Republicans gone
Long time passing...
Sucked into Trumpian sycophancy every one.

When will we ever learn
that what we vote
we get in return?

Note to Pete Seeger (RIP): Since you wrote "Where have all the flowers gone?" to protest the Vietnam War, it appears that the answer to your question "When will we ever learn?" is never.

RIP the Grand Old Party of Honest Abe Lincoln
