

Truth Social Distancing – How the GOP Mutated into the (lower case) gop

“People will believe a big lie sooner than a little one; and if you repeat it frequently enough, people will sooner or later believe it.”

Walter C. Langer: The Mind of Adolf Hitler

The first rule of MAGA is that
no matter what he says or does or how much
it contradicts what you know to be true and good
Donald Trump is NEVER EVER wrong.

During his first term as President
Donald Trump told 30,573 lies
averaging 21 falsehoods per day
according to The Washington Post Fact Checker¹.

Not to be outdone in his second term
The Washington Post Fact Checker documented
32 “false and misleading” claims made by Trump
in just a one-hour interview with Time Magazine².

The **Grand Old Party** of Honest Abraham Lincoln
is now so distanced from The Truth that
it has mutated itself into the lower case gop
gutless obsequious puppets of pathological liar Donald Trump.

Bearing false witness now comes so naturally
to the gutless obsequious puppets of the new (lower case) gop
that House Speaker Mike Johnson can lie about Republican plans
to gut Medicaid and not even lose the smarm from his pasty smile.
